**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Sir:

In response to the Notice of Allowance mailed January 14, 2010, and the subsequent Notice of Allowance mailed April 14, 2010, we respectfully submit the following Comments on Statement of Reasons for Allowance.

Application No. 10/828,575

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE dated July 14, 2010

Reply to Notice of Allowance and Fees Due of January 14, 2010 and April 14, 2010

Attorney Docket 94580

We acknowledge the Examiner's Statement of Reasons for Allowance of the above-referenced patent application and agree that the claimed subject matter is patentable. We take no position, however, regarding the Reasons for Allowance presented by the Examiner other than the positions we may have previously taken during prosecution. Therefore, the Examiner's Reasons for Allowance should not be attributed to Applicants as an indication of the basis for Applicants' belief that the claims are patentable. Furthermore, we respectfully assert that there may also be additional reasons for patentability of the claimed subject matter not explicitly stated in this record, and Applicants do not waive their right to such arguments by not further addressing such reasons herein.

We respectfully request that these comments be entered of record in the present application.

The Commissioner is also hereby authorized to charge any additional fees which may be required with respect to this communication, or credit any overpayment, to Deposit Account No. 06-1135.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY

Dated: July 14, 2010
